

PATENT
USA.353Remarks

1. Applicants have made a change to page 3, line 3, to correct the spelling of the word "kaolin." A change was also made on page 6, line 14, to correct a reference from "about 10 to about 50 microns" to read "about 10 to about 50 nanometers." Support for this change can be found on page 6, lines 12-15, and dependent claim 11. No new matter has been added by these changes and their entry is respectfully requested.

Pursuant to currently recommended Patent Office practice, the Examiner is expressly authorized to call the Applicant's attorney collect at Valencia, California, if in his judgment disposition of this application could be expedited or if he considers the application not ready for examination or final disposition by other than allowance.

Respectfully submitted,
3D Systems, Inc.
